

PARTY IN THE BARREL ROOM.

Private space for up to 16 people (21+ only).

Impress your guests with a unique venue for your next lunch, dinner, or small business gathering.

This private event space comes with:

- Self service station
 - Water and cups
 - Plates
 - Napkins
 - Flatware
- QR code for ordering
- Bluetooth music speaker
- Projector and screen

BE YOUR OWN BARTENDER.

Purchase a slim keg (5.16 gallons) or two of Vector beer, and let your guests serve themselves.

Prices vary depending on what we have available. No need to bring your own equipment--we have all of that.

PLEASE NOTE: The barrel room is a functioning production space. Therefore, you could hear beer gurgling and pumps turning on and off. It isn't loud, but it isn't silent, either. It's also 62 degrees, and the temperature cannot and will not be adjusted.
